Located within minutes of southwest Florida's highly desirable Gulf Coast, Fiddler's Creek is a luxury resort-style residential community created with golfers and nature lovers in mind.

Open water and sawgrass marshes provide a perfect setting for The Creek Course, designed by acclaimed golf course architect Arthur Hills. Members of The Golf Club at Fiddler's Creek will be challenged and delighted by this course, which combines classic old-style architectural features with modern course design. Strategically designed bunkers, undulating greens and ample open water add to the challenge of the course while elevated tees and greens provide spectacular landscape views. The golf club also offers an impressive driving range and practice facility, along with everything golfers of all levels need for a spectacular experience.

Set on almost 4,000 acres, the natural beauty of Fiddler's Creek extends well beyond its golf course. Two-thirds of the land will be dedicated primarily to nature preserves, lakes, parks, golf courses and recreational areas, giving residents and visitors the opportunity to experience nature in a variety of settings.

The remainder of the land features low

home density sites offering a breadth of residential choices to appeal to a variety of lifestyles. Pre-construction and move-in-ready homes at Fiddler's Creek are priced from the \$400,000s to over \$2 million.

Beyond great golf and luxurious homes, residents also enjoy a wide range of activities and amenities at the luxurious 54,000-square-foot Club & Spa, which features a resort-style multi-pool swimming complex, state-of-the-art fitness center, tennis facility and both casual and fine dining. An active social calendar with

numerous signature events contributes to the sense of community at Fiddler's Creek and gives residents the opportunity to create lasting memories with friends and family.

For those who enjoy a beach and boating lifestyle, Fiddler's Creek offers the opportunity to join The Tarpon Club®. Benefits include beach access and guest privileges at the award-winning Marco Beach Ocean Resort® and preferred benefits at the full-service Tarpon Club Marina, located minutes away on the Isles Capri. 🏊
