

# Fiddler's Creek.. Resort Style Living At Its Best

**W**hen your objective is to live in a resort style community with unsurpassed amenities, Fiddler's Creek, in Naples Florida on your way to Marco Island should definitely come to mind. A private, master-planned, residential community on nearly 4,000 acres providing unsurpassed elegance amongst a tropical setting can only begin to describe this beautiful community. With a very low density level of 1.6 homes per gross acre, nearly 100 distinct neighborhoods upon completion, an array of residential style homes and a commitment to preserving the environment, Fiddler's Creek is being planned to accommodate and enhance the natural beauty of Florida. Less than one-third of Fiddler's Creek® will be developed for residential use, while the remainder of the land is dedicated primarily to nature reserves, lakes, parks, golf courses and recreational areas.

Like a world-class resort, Fiddler's Creek® transports you to a

peaceful life of relaxation, recreation and entertainment. At The Club & Spa at Fiddler's Creek® members enjoy superb amenities that set Fiddler's Creek® apart from the rest.
